

# Preparing for Your COVID-19 Antibody Treatment

## Appointment Instructions

- Your order has been sent to Northwest Specialty Hospital COVID Clinic.
- The Location of the clinic is: 1602 E. Seltice Way, Suite D, Post Falls, ID 83854.
- When you arrive remain in your car and call (208) 262-4101.
- Continue to wait in your car until you receive further instructions.
- You will then receive a call to schedule your treatment from the NWSH COVID Clinic.
- The medication works best when administered as soon as possible, so if you cannot answer when NWSH calls to make your appointment, it is important to call back right away.

## Appointment Tips

### **Start your day as usual.**

No special preparation is needed before your treatment. Eat a nutritious breakfast, stay well hydrated and take your usual daily home medications. Be sure to wear clothing that is loose fitting and easy to remove if needed.

### **Visitation Policy**

To help prevent the spread of COVID-19 infections, we are unable to allow visitors at this time. Ask NWSH before planning to have a care-giver or family member stay with you during your treatment.

### **Bring something to keep your mind busy.**

You will be at the clinic for 1 hour after your treatment for observation. Reading a book, doing a crossword puzzle, or playing games on your tablet/phone will help pass the time.

### **Wear a mask**

You will be asked to wear a mask over your nose and mouth when you are around other people to help stop the spread of COVID-19.

### **Be Kind**

We understand you may not feel well. Staff are here to help you get better. Please treat them with the kindness they deserve . They are putting their lives at risk to provide this treatment
